

## 10<sup>th</sup> Annual Johns Hopkins Critical Care Rehabilitation Conference E-Newsletter #2

### IMPORTANT DATES

Registration is Open!

Registration Deadline  
October 31, 2021

"Lots of up to date research discussed and put into context. The virtual format was well set out and easy to access. I found the ability to access the Conference at times that suited my work, much easier than attending a conference in person. The zoom sessions for Q&A, posters and workshops were done well. Thank you"
