

**Subject: Info about Johns Hopkins ICU Rehab LIVE Conference Zoom Links**

To Conference Attendees,

Thank you for registering for the 12<sup>th</sup> Annual Johns Hopkins Critical Care Rehabilitation Conference.

We will use the *Zoom Webinar* platform to deliver the Live Conference on Nov 8-11. This *Webinar* platform is a bit different from the Zoom Meeting platform that is more commonly used, with functionality that is designed for a Live Conference.

Please note that you will receive **a series of emails** today from “Hopkins ICU Rehab [no-reply@zoom.us](mailto:no-reply@zoom.us)” These emails have separate Zoom webinar links for each track (i.e., Adult and Pediatric) and for each day of the Conference. **These Zoom links are unique to your registration – do NOT share them.**

These Zoom emails allow you to add each Zoom link to your calendar. We strongly recommend that you add these Zoom links to your calendar for whichever tracks/days of the Conference you plan to attend (we can’t distinguish who wants to attend adult vs. pediatric, so everyone receives all Zoom emails).

**Please note that in our local time zone for the Conference (Eastern Time, USA), our clocks will move back by 1 hour on Sunday Nov. 5, 2023.** Our Brochure has complete information on the times for all Conference sessions: <https://icurehabnetwork.org/2023-conference/>

You will receive emails with the following subject lines:

- **For those who registered for the “All Conference Content” option**
  - Nov. 8 AMP Hospital-Wide Confirmation
  - Nov. 9 ADULT Foundations Confirmation
  - Nov. 9 PEDIATRICS Foundations Confirmation
  - Nov. 10 Combined Adult and Pediatrics Confirmation\*
  - Nov. 10 PEDIATRICS Only Confirmation\*
  - Nov. 11 Combined Adults and Pediatrics Confirmation\*
  
- **For those who registered for the “New Content and Updates ONLY” option**
  - Nov. 10 Combined Adult and Pediatrics Confirmation\*
  - Nov. 10 PEDIATRICS Only Confirmation\*
  - Nov. 11 Combined Adults and Pediatrics Confirmation\*

Note for Pediatric attendees: some pediatric ICU Rehab. content is provided in combined adult/pediatric sessions. Be sure to add sessions marked with \* to your calendar to enjoy the full pediatric program.
